# Ivor Searle expands gearbox range with new Ford applications

**Leading remanufacturer adds three manual transmissions for popular Ford Fiesta and Puma models to its comprehensive programme**

Adam Lane • July 7, 2025 • Comments Closed • 0 likes

**Ivor Searle, a prominent remanufacturer, has expanded its extensive range of gearboxes for cars and light commercial vehicles (LCVs) with the addition of three manual transmissions for best-selling Ford Fiesta and Puma models.**

The newly added six-speed units cater to:

- **Ford Fiesta 1.0 litre EcoBoost petrol models** manufactured between 2018 and 2022.
- **Ford Fiesta 1.5 litre diesel variants** produced from 2017 to 2018.
- **Ford Puma 1.0 litre petrol models** assembled from 2019 onwards.

Ivor Searle consistently enhances its comprehensive programme of remanufactured engines, gearboxes, and turbochargers, which collectively covers over 90% of vehicles on UK roads.

For customer assurance, all **Ivor Searle gearboxes** come with a **12-month unlimited mileage parts and labour warranty**. The company maintains substantial stock levels to ensure prompt customer service and minimal vehicle downtime. Additionally, they offer free next-day UK mainland delivery for stock items ordered before 3:30 pm.

For more information, contact the Ivor Searle sales team on 01353 720531 or visit click here to find out more.
