### Ivor Searle expands LCV gearbox range with Peugeot Partner application

Five-speed manual transmission for 1.2-litre petrol models becomes available through the remanufacturer's national distribution network

Adam Lane April 23, 2026 Comments Closed 0 likes

**Ivor Searle** has added the five-speed manual transmission for the Peugeot Partner to its remanufactured gearbox programme. The unit is designed for 1.2-litre petrol variants manufactured between 2014 and 2018, including those equipped with stop/start technology.

The addition is part of a programme covering engines, gearboxes, and turbochargers for over 90% of the UK's passenger car and light commercial vehicle (LCV) parc. To support workshop efficiency and reduce vehicle downtime, the company maintains stock for free next-day delivery across the UK mainland on orders placed before 3.30pm.

### Product Specification

The new-to-range unit covers the following application:

Make	Model	Engine	Year
Peugeot	Partner	1.2 petrol	2014 - 2018

All remanufactured gearboxes from Ivor Searle are supplied with a 12-month unlimited mileage warranty covering both parts and labour. This warranty aims to provide peace of mind for both the installer and the end user.

The company continues to expand its "all makes" portfolio to meet the requirements of the independent aftermarket. For further technical details or to check availability, workshops can contact the sales team on 01353 720531 or [click here](#).
