Ivor Searle adds turbo for Hyundai diesel models

Remanufactured turbocharger now available for iX35 and Tucson 2.0 litre applications

Adam Lane March 27, 2025 Comments Closed 0 likes

Ivor Searle has expanded its range of remanufactured units to include the turbocharger for Hyundai iX35 and Tucson 2.0 litre four-cylinder diesel models. The new turbocharger is compatible with vehicles built from 2010 onwards.

Ivor Searle's remanufactured turbochargers are offered with a two-year unlimited mileage, parts and labour warranty. The company also provides free next-day UK mainland delivery for stock items ordered before 3.30pm.

The new-to-range turbo covers the following Hyundai models: iX35 and Tucson, both with 2.0 litre diesel engines, from 2010 onwards. The remanufactured turbo is available at a cost of up to 40% less than the Original Equipment equivalent.
